Re: Clearinghouse Rules 08-070 and 10-057

Dear Commissioners:

On October 20, 2010, the Committee on Commerce, Utilities, Energy and Rail voted to request the Public Service Commission of Wisconsin to make modifications to Clearinghouse Rule 08-070 because it was inconsistent with what the legislature intended in 2009, Wisconsin Act 403. The vote to return the rule back for modifications was 6 AYES and 1 NO.

The Committee on Commerce, Utilities, Energy and Rail also voted to request modifications be made to Clearinghouse Rule 10-057. The vote to return the rule back for modifications was 7 AYES and 0 NO.

The Committee sincerely believes modifications should be considered for both rules and would appreciate a response to this request no later than November 1, 2010.

Thank you for your cooperation.

Sincerely,

JEFF PLALE
Senate Chair
