This map was produced using information from the Fond du Lac County GIS. Fond du Lac County assumes no liability for the accuracy of this map or any use or misuse of its content. The data in the Counties adjacent to Fond du Lac County was obtained from the respective cooperating government agencies in the spring of 2008. To obtain more up to date information about those areas contact the appropriate government agency directly. State Forest / Marsh lands depicted on this map are generally open to the public. Public use restrictions may apply due to public safety, or to protect endangered or threatened species or unique natural features. Lands may temporarily be closed due to specific management activities. Information about the actual property management can be found at the DNR Regional office nearest the property. The DNR Service Centers web page contains a directory of all DNR office locations.
